Dear Harry:

As you probably know, Rabbi Elberg was in Chicago about a week ago with Rabbi Seltzer, during which time Rabbi Elberg forwarded you a wire advising our facilities for producing Kosher Gelatine were O.K. in all respects.

We need some additional Kosher Gelatine labels and Rabbi Elberg promised to forward us a supply.

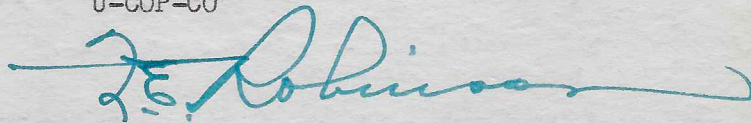

Would you be kind enough to phone Rabbi Elberg and ask him to rush a supply of Kosher labels to Chicago?

Unfortunately, we do not have Rabbi Elberg's address in Brooklyn and figured we could save time by calling on you to relay some quick word to Rabbi Elberg.

Thanks a lot for your help.

Yours very truly,

U-COP-CO
